WE'RE MAKING IT HAPPEN WITH...

Trusted oils & spreads

For more than 50 years, Peerless Foods have been supplying the food service industry with high performance frying & culinary oils and quality spreads. Whether you're from a cafe, quick service restaurant, fine dining establishment, hotel, pub or club, Peerless Foods can provide you with innovative solutions that are commercially viable, of superior quality and customised to meet your customers' needs.

Personal service

Peerless Foodservice is a local business like yours, with a personal approach, meaning we are nimble, make smart decisions and deliver solutions faster than our competitors. Whether it's oil or spread orders that need consistent, reliable delivery, or advice for delivering more profitable frying results – we always have someone to answer your question.

Expert solutions & support

Peerless Foodservice continually invests in research and innovation to bring industry leading expert solutions. We have a dedicated R & D team with PhD scientists who continuously explore ways of bringing innovative solutions to improve your business.

Understanding of your passion

We understand you are very passionate about your business. Your livelihood depends on it. You take pride in bringing that passion to life in everything you do - the food you create and the service you provide. We understand that passion because we feel the same about our business. We pride ourselves on understanding your business, because that's our business.

A proud Aussie made & owned business

Peerless Foods is Australia's largest privately owned manufacturer of premium edible oils, fats and margarine with more than 60 years experience in fats and oils. We produce in Braybrook Victoria and pride ourselves in sourcing locally, where we can and employing Australians. Peerless Foodservice is proudly Australian and is built on traditional values, like hard work, so we understand the demand of the local Foodservice businesses.
